THE EDITORIAL

The Journal of Faculty of Social Sciences, National Open University of Nigeria (NOUN) is a bi-annual peer reviewed journal published by Faculty of Social Sciences, NOUN. The objectives of the journal is to establish a symbiosis among scholars, state and society by providing purpose-driven research as a template for the formulation of problem-solving policies in response to the myriad national and international integration and development challenges. JSS-NOUN is an offshore peer review journal published two times in a year by the Faculty of Social Sciences-NOUN.

Notes to Contributors

The journal operates a double blind reviewing process; it accepts original articles from fields of Social Sciences and other related fields that have not been submitted anywhere else for publication.

Manuscript Submission Guides

- The language of the journal is **English**
- **Font size** is 12-point type in Time New Romans with double line space
- Manuscript **SHOULD NOT** be more than **5000 words**.
